

### Drive Wheel Cover Assembly

	NUMBER	DESCRIPTION
1	294-115-111	Drive Wheel Cover
2	02-539	Flat Tie Holder w/Adhesive & #6 Hole
3	01-355	Screw, #6 x 1/4, Phillips, Flat Head, Zinc
4	04-065	Plastic Wire Tie

**Note:** The left hand and right hand assemblies are both made up of the same components. The position of the wire tie holders on top of the drive wheel cover dictate whether it is a left or right hand assembly.
